Ready to try applique? This is a great place to start. The Going Home quilt incorporates simple shapes that are easy to applique by hand or machine. Block may be made with a Star or a Heart in the center. You can fuse the shapes or turn the edges. If you need help with turned edge applique, go to: www.humblebeequiltworks.com for free detailed instructions. Here you will find step by step tutorial with color photos to get you started. You may then finish by hand or machine.
